# HOT SOLO Key Competencies Self Assessment Rubrics

Key Competencies – Capabilities for living and lifelong learning: *Opportunities to develop the competencies occur in social contexts. People adopt and adapt practices that they see used and valued by those closest to them, and they make these practices part of their own identity and expertise. The competencies continue to develop over time, shaped by interactions with people, places, ideas, and things. Students need to be challenged and supported to develop them in contexts that are increasingly wide ranging and complex.*P14 The New Zealand Curriculum
